Clerk of Court
United States District Court
Northern District of California
San Francisco Division

To the Court Clerk,

Dear Clerk of Court,

Enclosed for filing is my Amicus Curiae Brief in *AFGE v. Trump*, Case No. 3:25-cv-03698-SI, along with supporting exhibits. One sealed envelope is included, submitted pursuant to Civil Local Rule 79-5. Thank you for your time and patience as I have worked to navigate this process.

For transparency: I inadvertently provided unredacted versions of the sealed exhibits to both AFGE and the Department of Justice, contrary to Local Rule 79-5. My intent was to ensure full visibility of the record to the parties—not to violate the Court's rules. I have since corrected this issue by serving physical copies of the **redacted** public filings to both parties. The statements included in the sealed materials were shared with full permission and discretion. I acknowledge the procedural risk and have kept my own statement, with PII removed, on the public record. Neither party has responded to my outreach regarding this submission.

Please don't hesitate to contact me if any clarification is needed.

Respectfully,

/s/ **Scott C. Pitcock**

I acknowledge that my June 6 email inadvertently included both redacted and unredacted (sealed) versions of some exhibits. My intent was to ensure transparency to the parties while protecting personally identifiable information and colleague testimony from public exposure. The sealed versions were clearly marked and separately submitted to the Court in a sealed envelope pursuant to Civil Local Rule 79-5. The physical service to the parties contained only redacted materials, and no sealed exhibits.

Respectfully submitted,

/s/ Scott C. Pitcock
